

PRICE INFORMATION

For all new customers we have an assessment day where we'll meet and get to know your dog. Also, your dog will have the opportunity to get accustomed to us and our surroundings. Depending on your pet's behaviour we may accept or decline your future booking. We only accept friendly dogs. When the dog shows signs of anxiety we advise a few daycare sessions prior to boarding so the dog will become comfortable in the new environment. All dogs older than 9 months must be desexed (dachshunds: 12 months) and fully vaccinated to attend our premises.
